Philosophy

St. Francis of Assisi Montessori School of Cainta believes that the right values are the most important foundation of a successful and happy life and the key to the positive transformation of society.

The holy saints and enlightened leaders throughout history taught us that intelligence without values is dangerous and knowledge without wisdom is destructive. Many problems such as corruption in government, greed incorporations and wars are caused by humans who had great intelligence, talent and skill but possessed the wrong values.

Saint Francis of Assisi had intelligence, high status and great wealth but later realized that a person cannot live a truly meaningful life without the right values, love for others and God.

Vision and Objective

To produce bright students who embody the core values of St. Francis of Assisi. These individuals are hard working, self-aware, and have a deep love and respect for God and for others. It is our hope that these enlightened young men and women will bring positive change in their families, society and the world.

Time moves so quickly, like a dream. One moment you are just a young child excited to go to your first day for school, eager to learn new things, and excited to make new friends. Then, before you know it, you are now a young adult, your classmates and teachers are now your friends for many years, and you are now thinking more about your future.

Many adults say that preschool to junior high school is some of the most memorable years of their life. This was an era where you learned unforgettable lessons and values, this was when you made some of their lifelong friends, this was the time you first fell in love. A young student's life is usually a colorful adventure filled with excitement, anxiety, and lots of highs and lows. The stress of trying to submit on time a difficult project, the joy of hanging out and having fun with your friends, the frustration in trying to master a difficult lesson, and having lots of fun with your classmates during school activities are wonderful memories that color the painting that is your life. This yearbook is like a beautiful painting that shows a glimpse of your past life. Like a piece of art, we hope that you can always keep it in a special place in your heart. Happy or sad, it is still important to value and cherish your past, so you may learn from it. Through its lessons, you can make a better future for yourself and your loved ones.

With that said, nothing lasts forever. A grade-schooler cannot return to preschool, nor can a junior high student become a grade-schooler again. To grow and find fulfillment in life, we have to always move forward. As you face new challenges in the future and encounter new people in your life, I pray and sincerely hope that you handle them with grace, dignity, and love. Treasure those moments and always learn from them because these experiences make your life more beautiful, colorful, and full of meaning.

I wish you the best, and may God bless you with a life full of meaning and fulfillment.

Congratulations! I'm pleased and, at the same time, sad to see another batch of students graduate from our SFAMSC family. I wish to take this chance to remind you of the core values the school has taught you.

Diligence, as you enter into this new phase in your lives, you will meet new friends and face new challenges. I know many of you have dreams and aspirations for the future. Do not be afraid because you can achieve anything if you work smart enough and hard enough. It does not matter what goal if it is love, friendship, high grades, or ambition. If you work hard enough and if it is pleasing to God, then you will achieve it.

Compassion and kindness, in your life, you will meet many kinds of people. Some of them will treat you well, and some of them will give you a hard time. There will even be a time where even your best friends will cause you sadness and disappointment. You will be sad, angry, and even bitter, but eventually, you must understand and forgive them. Believe it or not, a person with grudges or "tampo" can never be happy. If you feel you can't do it, ask God for help, he will give you a hand.

Be kind to others and yourself. More importantly, help the needy show kindness to your family, friends, and even enemies, for God said that how we treat others is how we treat him.

Finally, to become a better person, examine yourself regularly and honestly. Before you sleep while you pray, keep account of all the right things and bad things you have done during the day. Through reflection, you can be aware of and lessen your missteps while making your good deeds a habit.

So as you go to your next stage in life, I hope you remember the academic lessons you and the practical and humanitarian values we have taught you. Unlike the knowledge of the world, the values you learned here at SFAMSC are timeless and will serve you throughout the rest of your life. Clutch them tightly onto your hearts and never forget them, for they are the keys that will help you understand God's will and unlock the happiness you are seeking.

May our Heavenly Father guild you and bless you all in your next chapter in life!

As the famous and very successful entrepreneur, Walt Disney once said,

**"All our dreams can come true,
if we have the courage to pursue them."**

Every child has a dream: to be a doctor, an engineer, an accountant, a pilot, a nurse, a businessman, or be a teacher. These dreams are for free all you need is the courage to pursue them. You have started your quest to achieve your dreams within the walls of Saint Francis of Assisi Montessori School of Cainta, your second home. We have guided you and imparted to you the knowledge that you need in the fulfillment of your dream. The moral values we have inculcated in each one of you would be your firm ground in the pursuit of your dream.

The desire to learn is never ending. Even if you age and get old you will still be interested in learning. You are very young and at the peak of your desire to fulfill your heart's desire. It takes the will to continually follow your dream. Let it not be just a dream, let it become a reality. Pray for divine intervention and persevere to reach for the stars that will make you shine. Remember it takes courage for your dreams to come true.

You're a step ahead, keep an open heart and mind in striving towards your goal. Wishing you the best of luck for the future.

Happy Graduation!

GRADUATION SONGS

Believe

By: Barbie and the Diamond Castle

Hidden beneath the ground,
Is the spring that feeds the creek,
Invisible as the wind,
That you feel upon your cheek.

And every breeze that whispers,
Reminds us constantly,
Sometimes what's real,
Is something you can't see,

Believe in all that can be,
A miracle starts whenever you dream,
Believe and sing from your heart,
You'll see your song will hold the key.

Waiting behind the clouds,
Is a sky that's always clear
And chasing away the doubts,
You watch the sun appear

It's shining to remind you,
As each new day begins.
There's always hope if you just let it in

Believe in all that can be
A miracle starts whenever you dream

Believe and sing from your heart you'll
see
Your song will hold the key.

You can paint the stars,
You can touch the sky
Spread your wings and discover you can
fly
Won't know until you try

Believe in all that can be
A miracle starts whenever you dream
Believe and sing from your heart you'll
see
Your song will hold the key

Oohh...

Believe and dream what can be
Ask with your heart and you will receive
Believe the beauty is yours to see
Your song will hold the key...

Aahhhhh...

(When you) Believe, Believe,
When you believe...

SMILE

By: Uncle Kraker

You're better than the best
I'm lucky just to linger in your light
Cooler then the flip side of my pillow, that's right
Completely unaware
Nothing can compare to where you send me,
Lets me know that it's OK, yeah it's OK
And the moments where my good times start to
fade

You make me smile like the sun
Fall out of bed, sing like a bird
Dizzy in my head, spin like a record
Crazy on a Sunday night
You make me dance like a fool
Forget how to breathe
Shine like gold, buzz like a bee
Just the thought of you can drive me wild
Oh, you make me smile

Even when you're gone
Somehow you come along
Just like a flower poking through the sidewalk
crack and just like that
You steal away the rain and just like that

You make me smile like the sun
Fall out of bed, sing like a bird
Dizzy in my head, spin like a record

Crazy on a Sunday night
You make me dance like a fool
Forget how to breathe
Shine like gold, buzz like a bee
Just the thought of you can drive me wild
Oh, you make me smile

Don't know how I lived without you
Cause every time that I get around ya
I see the best of me inside your eyes
You make me smile
You make me dance like a fool
Forget how to breathe
Shine like gold, buzz like a bee
Just the thought of you can drive me wild

You make me smile like the sun
Fall out of bed, sing like a bird
Dizzy in my head, spin like a record
Crazy on a Sunday night
You make me dance like a fool
Forget how to breathe
Shine like gold, buzz like a bee
Just the thought of you can drive me wild

Oh, you make me smile
Oh, you make me smile
Oh, you make me smile

Journey

By: Lea Salonga

Half the world is sleeping
Half the world's awake
Half can hear their hearts beat
Half just hear them break

I am but a traveler, in most every
way
Ask me what you want to know

What a journey it has been
And the end is not in sight
But the stars are out tonight
And they're bound to guide my way

When they're shining on my life
I can see a better day
I won't let the darkness in
What a journey it has been

I have been to sorrow
I have been to bliss
Where I'll be tomorrow
I can only guess

Through the darkest desert
Through the deepest snow
Forward, always forward, I go
What a journey it has been
And the end is not in sight
But the stars are out tonight
And they're bound to guide my way

When they're shining on my life
I can see a better day
I won't let the darkness in
What a journey it has been

Forward, always forward
Onward, always up
Catching every drop of hope
In my empty cup

What a journey it has been
And the end is not in sight
But the stars are out tonight
And they're bound to guide my way

When they're shining on my life
I can see a better day
I won't let the darkness in

What a journey it has been...

GRADUATION SONG

●●● **THANK YOU** ●●●

By: **Rachelle Ann Go**

Now...

After all the things that I have held on to
Have been put away by time I'm back
to you
Funny but it's just today I understand
everything I need was right before me
All along the line
I never cared to read the sign
That love was the greatest gift life gave
to me
and now it's setting me free and I...

Thank you for being the one
For being the sun
For being the rainbow after the rain
For being the blue in the sky
And I thank you for ending the night
By shining a light you've taken me
home again
when I lost sight of all hope you were a
friend
thank you for the love that lasted 'til the
end

And so...
I begin to look at life in a new way
So much wiser now than I was
yesterday
separating the forest from the trees
Learning from the love that rescued me
now
All along the line
I never cared to read the sign
That love was the greatest gift life
gave to me and now it's setting me free
and I...

Thank you for being the one
For being the sun
For being the rainbow after the rain
For being the blue in the sky
And I thank you for ending the night
By shining a light you've taken me home
again
when I lost sight of all hope you were a
friend
thank you for the love that lasted 'til the
end

With you right beside me I could fly
Spread my wings it'll take it to the sky
For you will be the wind that drives the
sail
you will always be there should I fail
Like you did before and you'll do once
more
I believe that is true I'm giving it all back
to you...

Thank you for being the one
For being the sun
For being the rainbow after the rain
For being the blue in the sky
And I thank you for ending the night
By shining a light you've taken me home
again
when I lost sight of all hope you were a
friend
thank you for the love that lasted 'til the
end

I thank you...

St. Francis Prayer

Make me a channel of your peace.
Where there is hatred, let me bring your love.
Where there is injury, your pardon, Lord,
And where there's doubt, true faith in you.

Make me a channel of your peace.
Where there's despair in life, let me bring hope.
Where there is darkness only light.,
And where there's sadness ever joy.

Refrain:

Oh master, grant that i may never seek
So much to be consoled as to console.
To be understood as to understand,
To be loved as to love with all my soul

Make me a channel of your peace.
It is in pardoning that we are pardoned;
In giving of ourselves that we receive,
And in dying that we're born to eternal life.

“Start by doing what’s necessary;
Then do what’s impossible;
And suddenly you are doing the impossible.”

Education with Love & Concern

St. Francis of Assisi Montessori School of Cainta or SFAMSC is a pre-school, grade school, and junior high school in Cainta, Rizal. We believe that education should be not only academic but moral and practical as well. We integrate with our classroom lessons the philosophies and values of Jesus Christ and our patron saint, Francis of Assisi. We focus on small class sizes because students learn better, achieve more, and have higher morale in small learning communities.
